From the South and East
The M6 Toll has significantly improved the speed and reliability of journeys around Birmingham. The toll is reasonable. If the M6 Toll is appropriate for your journey it is well worth using it.

From London, Oxford and the Thames Valley via the M40
Take the A460 (signed to Wolverhampton) which crosses the M6 at junction 11 and continue to meet the M54 at junction 1. Head for Telford - the M54 becomes the A5. Leave the A5 for the A49 (signed for Whitchurch) at the first roundabout. Follow the A49 for approximately 10 miles, until you reach Prees Green. At Prees Green turn left onto the B5065 signed to Wem. Follow this for about two miles. Soulton Hall is on your left shortly after a humpbacked bridge.
